The objective of the following financial assumptions is to ensure the accuracy and integrity pertaining to the Dental benefits included in this renewal. We reserve the right to evaluate the risk if material changes have occurred from the original quote in one or more of the following financial conditions.

Unforeseen events during the renewal process may cause the risk profile of our plans to change. These events may occur during or after the open enrollment period, or Renewal Policy Year. We reserve the right to change our rates at any time during the policy year, effective on the date the change occurred, subject to state and federal mandates.

If your policy terminates, you will be billed and responsible for any outstanding amounts from the prior policy periods.

If any of the changes outlined below occur, we may recalculate your premium rates:

Covered Lives and Demographics

- There is a 15 percent change in the total number of subscribers enrolled in each individual Aetna product or in aggregate, including the impact of new or terminating locations and/or groups.
- A change in the demographic and/or geographic mix of the eligible group from that assumed at the time the guarantee is established.

Participation & Contribution Strategy

Our rates assume that will contribute 50 percent towards the cost of employee coverage and at least 50 percentage towards the cost of dependent coverage regardless of plan selected. Minimum participation requirement for this contribution structure is 75 percent of total eligible lives.

Rate Cap

We have offered a 2 year rate guarantee in which we agree the rates for the 2023 policy period will not increase over the 2022 policy period by no more than 0 percent.

All rate caps are subject to any applicable increase associated with the Annual Health Insurer Fee Provider Fee (see Patient Protection and Affordable Care Act (ACA) - Fees and Assessments below).

Plan Design

The renewal is based on the current plan design. Our standard provisions, contract wording and claim guidelines settlement practices will apply for items not specifically outlined. Our guidelines allow for a change in plan on the renewal date only, unless initiated by legislative actions. If a material change in the plan is initiated by and approved by us, an adjustment to the rates may apply.

Changes

We reserve the right to modify our products, services, rates and fees, in response to legislation, regulation or requests of government authorities resulting in changes to plan benefits and to recoup any material fees, costs, assessments, or taxes due to changes in the law even if no benefit or plan changes are mandated.

We also reserve the right to modify this proposal in the event of a material change in:

- The plan of benefits offered, including state mandates
- A change in claim payment requirements or procedures; or

Aetna Intellectual Property

Under the Group Policy, you may have access to certain of Aetna's Customer reporting systems. Aetna represents that it has either the ownership rights or the right to use all of the intellectual property used by Aetna in providing the Services under the Group Policy ("Aetna IP"). Aetna will grant you, as the Customer, a nonexclusive, non-assignable, royalty free, limited right to use certain of the Aetna IP for the purposes described in the Group Policy. You agree not to modify, create derivative product from, copy, duplicate, decompile, disassemble, reverse engineer or otherwise attempt to perceive the source code from which any software component of the Aetna IP is compiled or interpreted. Nothing in the Group Policy shall be deemed to grant any additional ownership rights in, or any right to assign, sublicense, sell, resell, lease, rent, or otherwise transfer or convey, the Aetna IP to you.

Open Enrollment Opportunity

We expect equal access to potential and/or existing members when offered on an option basis for purposes of communication, enrollment, benefits fairs, etc. For new offerings and/or locations, our quote assumes an active open enrollment will occur.

Please provide us with open enrollment materials including employee contribution rates for all plan options, eligibility definitions for all plans (retiree, part-time designs for all sites where our insured product is offered. Our goal is to give you and your members accurate and reasonable offerings based on the most complete information we have available.

Inaccurate or Incomplete Information

We use the information you provide us to develop our rates. If any of this information is inaccurate or incomplete and has a material impact on the cost of the programs, we reserve the right to adjust our rates and terms. For example, your rates may change if there is a material deviation from the rate quotation assumptions or if you are unable to provide us with the requested information. As another example, if additional information related to this quotation is made available to us at a later date, we reserve the right to re-assess, and potentially revise, this quotation based upon analysis of that information.

Additional Financial Information

Listed below are brief descriptions of some of the important features of the dental plans quoted. Statements made in this package are based on facts, as they exist today. Our statements are not legal representations or warranties. This renewal is not a substitute for your Group Policy. Our obligation will be limited to the terms of the policy.

- **Renewal** – Our contract provides for automatic renewal upon the completion of each contract period unless either party terminates. This provision may be invoked in accordance with its terms at any time during the continuance of the contract (i.e., is not just limited to termination occurring on the renewal date). Under state insurance regulations, a group health insurance policy may be non-renewed for certain reasons. These may include us no longer offering coverage or a specific product in the market and the plan no longer meeting the contribution or participation requirements.
- **Premium Payments** – If you fail to make your required premium payments as outlined in the provisions of your contract, this will result in policy termination. The amount due is payable on the first day of the monthly coverage period covered by the invoice. If the amount due is not paid in full within 30 days, your contract and plan coverage may terminate. We have the right to assess late premium payment and costs of collection charges if the invoice is not paid in full within 30 days.
- **Dependent Eligibility** - Eligible dependents include an employee's spouse and children up to the limiting age of the plan. Individuals cannot be covered as an employee and dependent under the same plan, nor

may both under the same plan cover children eligible for coverage through both parents. Dependents must enroll in same benefit option as the employee. Domestic partners may be covered as eligible dependents if the employer elects this designation at contract effective date or renewal date. Coverage is available to eligible dependents who are same sex or opposite sex partners. If the plan sponsor elects to cover domestic partners, the plan sponsor is responsible for determining whether the domestic partner is eligible.

- Plan eligibility - Our rates assume that permanent full-time employees work a minimum of 25 hours per week on a regularly scheduled basis and that eligible dependents include an employee's spouse and children up to the limiting age of the plan. Our rates assume that temporary employees are not eligible for coverage.
- Dental Rates - The proposed dental renewal rates are contingent upon both medical and dental lines of coverage renewing with Aetna.
- Alternate Office Processing (AOP) – We regularly use both internal and external claim adjudication services to meet service requirements of our business. These services may be located inside or outside of the United States. Our quality standards and controls apply to all claims regardless of where they are processed. Standard pricing assumptions are in effect based on type of product, auto-adjudication, plan design, and customer specific requirements. We may adjust rates based on the above factors and/or where you wish to limit use of Alternative Office Processing (AOP).
- Enrollment Assumptions - The quoted rates assume there will be one predetermined annual enrollment period when all eligible employees have a choice of enrolling in any of the available plans. During open enrollment our representatives will have the opportunity to provide plan information to your members. We have assumed that the plan of benefits will be extended to all groups included in our current eligibility files. Our renewal assumes that coverage will not be extended to any additional groups of employees without additional census and rate determination. A summary of assumed enrollment by plan option has been provided in the rate exhibit.
- Run-Off Claim Processing - Your rates include the expenses associated with the processing of run-off claims following cancellation.
- Disclosure Statement - We have various programs for compensating agents, brokers and consultants. If you would like information regarding compensation programs for which your agent, broker, or consultant is eligible, payments (if any) which Aetna has made to your agent, broker, or consultant; or other material relationships your agent, broker, or consultant may have with us, you may contact your agent, broker, or consultant; or your account representative. Information regarding our programs for compensating agents, brokers, or consultants is also available at www.aetna.com.
- Additional Products and Services - Costs for special services rendered, which are not included or assumed in the pricing guarantee will be direct billed. For example, would be subject to additional charges for customized communication materials, as well as costs associated with custom reporting, programming, etc. The costs for these types of services would depend upon the actual services performed and would be determined at the time the service is requested.
