

Applied Technology Skills Project Topics

AST (Awesome Students with Technology) Challenge

Spring 2021

Platte County School District

Topics of Projects to Choose/Approximate Time to Complete

- Design a Poster About You (45-90 minutes)
 - Plan and Promote an Event (6- 9 hours)
 - Make a Promotional Flyer (45-90 minutes)
 - Write an If/Then story (2-3 hours)
- Create a Presentation “All about a Topic” (45-90 minutes)
 - Create a Guide to an Area (4-6 hours)
 - Research and Develop a Topic (4-6 hours)
- Wage a Sea Battle in Google Sheets (45-90 minutes)
- Organize Your Time with a Digital Agenda (45-90 minutes)

You can complete one or more challenges. Pick something that means something to you.

Your progress will be monitored by the instructor (Dr. Jen McClure). Projects are skill appropriate for students in upper elementary or middle school.

We will celebrate students who complete any of the topics! This is something you can work on at home. Since this is an additional educational experience, students should put classwork first and consider this an extra-curricular activity.
