On-Site Services Travel Policy:

- If weekly COVID-19 case rates in your county are greater than 200/100,000, the training will be conducted virtually. There is no cancellation for elevated COVID-19 infection rates.
- Should the District decide to book the day in anticipation of it being on-site and the number is and/or rises back up to the 200+ category, the fee remains at the quoted flat rate and the contracted services will immediately be shifted to a virtual delivery model. The event will be conducted on the scheduled date listed on the fully executed contract/RFP/PO.
- Safe & Civil Schools reserves the right to return to a more restricted limit for in-person training if a new, more dangerous variant or other highly communicable virus emerges.

For all virtual training sessions with Safe & Civil Schools, the District agrees to:

- Test the link at least two weeks before the day(s) of training.
- Ensure that participants have downloaded Zoom and updated to the most recent version (updates occur every few days to few weeks).
- Ensure that participants know how to access their session(s).
- Mandate or strongly encourage participants to access the sessions from a computer. Mobile devices (phones, tablets, etc.) are discouraged.
- Participants should be in their own classroom or individual setting at the time of the professional development. Participation is greater if participants have access to their own device.
- Provide directions, District standards of etiquette, and participation expectations to all who will attend.
- Provide your presenter(s) with information on the vision for this initiative and anticipated outcomes associated with the session(s).
- Give participants the District vision for this initiative and ensure that campus-based administrators echo the message before and during presentations.
- In most cases, a book is required and needed during the session(s). Ensure that all participants receive the accompanying book.

On the day of each session:

- Ask participants to plan to arrive 5-10 minutes ahead of the scheduled start time to allow for any necessary troubleshooting.
- District will open the session by reminding participants of your entity's expectations on participation and standards of engagement while taking part in the session(s).
- Prompt the attendees to have their book on hand and use it throughout the session(s).
