RE: Platte Purchase Middle School – Commissioning Agent Services

Dr. Doll,

Proposals were received on Friday, September 30, 2022, from three firms for the presented scope of Commissioning Services for the new Platte Purchase Middle School as outlined in the RFP document/scope details. Of the three proposals received, Henderson Building Solutions was found to be the lowest responsible bidder for this work. We recommend accepting the proposal dated 09.30.2022 and awarding commissioning contract to Henderson Building Solutions in the amount of \$39,000.00. Detailed proposal is attached.
