

Resolution for Northland Workforce Development Center Design

WHEREAS, the Platte County R-III School District, will work with its design team for the new Northland Workforce Development Center; and

WHEREAS, the Platte County R-III Board of Education has been presented with initial design and facility planning guidance, general building, layouts, and renderings; and

WHEREAS, The Platte County R-III Board of Education has, under its Board of Education Policies, and Policy FB, the role of reviewing facilities planning; and

WHEREAS, having reviewed and received a presentation regarding general plans for the Northland Workforce Development Center, including activities to take place in the building, the nature and location of facilities, instructional aspects of the design, architectural characteristics, and the spatial relationship to other District facilities, the Board approves of the general design concepts and specifically the facility aspects conveyed in the presentation materials attached to this Resolution.

NOW, THEREFORE, BE IT RESOLVED:

The Platte County R-III Board of Education approves the general design concepts, and specifically the facility plan aspects for the Northland Workforce Development Center (Northland Career Center rebuild).

ADOPTED THIS 15th DAY of MAY, 2025.

(SEAL)

President of the Board of Education

ATTEST:

Secretary of the Board of Education
