

Surplus Property List for August Board of Education Meeting (8/15/24)

General information:

The items on the following pages are proposed for surplus property.

Tilt kettle from the NCC culinary program. A new kettle has been purchased and the one listed is not safely functional due to damaged latching pin.

With the acquisition of the four Bluebird buses from Central States, the school bus units #10, #29, #38, and #42 have become expendable due to high mileage and continued maintenance issues. It is recommended that these units are placed on www.GovDeals.com with a starting bid price of \$5,000.
