

FastBridge Update

September BOE worksession

Key Questions

- What is a Universal Screener (FastBridge)?
- How are FastBridge results used to inform instruction in Platte County?

What is a Universal Screener?

A universal screener (FastBridge) is a *group of brief assessments used to match students with enrichment /intervention designed to meet their individual learning needs.*

Purpose:

- *“Child Find” obligation*
- *Senate Bill 681 obligations*
- *Creating a plan for just-right daily instruction for the classroom*
- *Programming decisions- long term class selection and placement*
le. gifted, reading improvement, math improvement, etc.
- *SRSN nationally normed skills- student growth*

How are FB results used to Inform Instruction?

- Daily Instruction - Differentiated Instruction in the classroom - *S2I report & Group Skills Report* (ex. 1) and (ex. 2)
- Child Find / Access to Tiered intervention outside of the regular classroom - (ex. 3)
- Monitoring Growth of Students (Ex.4)
