MISSOURI CTE

ADVANCED CERTIFICATE

PRESENTED TO

JOE SAMPLE

NCC Program

IRC/TSA(s) Earned

NCC Director

NCC Board Chair

CTE CERTIFICATE CRITERIA

- Pass an approved Technical Skill Attainment and/or earn a Department of Elementary and Secondary Education (DESE) approved Industry Recognized Credential
- Complete a minimum of 50 hours of appropriate work-based learning experiences aligned with the CTE area of concentration
- Maintain at least 96% attendance record while at Northland Career Center
- Score at or above state standard on any DESE-approved measure of College and Career Readiness (ACT WorkKeys, ACT, ASVAB, ACCUPLACER)

THE STUDENT

- Met all local school district graduation and CTE Certificate requirements
- Earned three or more credits in a single NCC program area and met NCC graduation requirements
- Maintained a minimum of 3.0 grade point average on a 4.0 scale in CTE area of concentration
- Demonstrated employability skills through the NCC Essential Employability curriculum (80% avg or met class avg) or earned the CTSO Achievement Letter

*This criteria is aligned to DESE.

2021 - 27 Advanced Certificates

2022 - 43 Advanced Certificates

2023 - 49 Advanced Certificates

2024 - 36 Advanced Certificates

NCC uses 50 hours of WBL and 96% Attendance to narrow down Advanced CTE Certificate potential students.

Certificate earners get a \$100 to \$200 scholarship for tools or other items related to their career path.

Data in Focus Areas - Placement

Building Overall Placement **Building Goal: 66.7% of students are placed in a related field**

Building Overall Placement **Building Goal: 66.7% of students are placed in a related field**

Student Survey

General Satisfaction

- Most respondents feel strongly that their instructors and support staff are well-prepared to help them with both applied English and math specific to their programs.

Additional Support and Services

- Most students who mentioned that they know where to go for additional support.
- Students feel confident knowing where to seek help when needed.
- Most students feel that their instructors do a good job supporting all students behaviorally and emotionally.

Building Goals

Improve Staff Satisfaction

- All staff individually interviewed with Mr. Green
- Overall Summary - Comments include suggestions for long-term planning, improving teacher support, addressing individual behaviors of staff with them directly, and providing more help with student services / counseling. Responses highlight both positive experiences within the school, focusing on support from administration, communication of values, and disciplinary processes.
- Hiring new teacher, first time in two school years - Thank you to the board for approving our new Aviation Technology program instructor to replace Ms. Kari Lasley, who just transitioned to Business Services.
