Criteria Evaluated Against:

- 1 Introduction of the team with general statements of why you they qualified and interested to do this work
- 2 Process for meeting our FFE request for Platte Purchase Middle School
- 3 Based on the RFP and middle school concepts, what proposals for innovative design spaces does the vendor propose that will enhance the middle school learning experience.
- 4 With the continued concern of the high price of materials and supplies, how will you keep costs down while maximizing our project?
- 5 Describe your process for engaging the Platte Purchase Middle School staff with design and selection of FFE if selected as our FFE provider, and quality of products
- 6 Describe your process for selecting high quality products that reflect durability, innovative design, and longevity for use
